Dear Florence,

This is an unsolicited letter of appreciation for the good service and complete satisfaction that we got helpful and supporting implementation of the ANSYS Workbench / Space claim software from Dr. Zheng with his professionalism team members for their assistance in addressing the technical concerns with difficulties problems solve.

I would like to express our deepest appreciation for you and your organization's support for the rapidly technical solution, with the workmanship in the service support from CAD-IT Consultant; valuable support service made the successful with our projects.

On behalf of the CFE engineering department, I would like to thanks the CAD-IT Consultant technical support team for all that you do.

Best Wishes,

  
**Sherry Cai**  
Senior Mechanical Engineer
